

Statement Regarding the 2020 Lowrider Las Vegas Super Show

(June 1, 2020) – El Segundo, CA

MotorTrend Group and Lowrider are planning on holding the 2020 Lowrider Las Vegas Super Show at the Las Vegas Convention Center on Sunday, September 6. As always, our top priority is the health and safety of all our participants and guests. We will be following all mandated federal and local guidelines.

Rule Change for the Las Vegas Super Show

Because the COVID-19 (coronavirus) has had a profound impact on the summer Lowrider Sanctioned Shows, forcing all but Odessa, TX and Phoenix, AZ to be canceled, we are modifying the rules for **this year only**. In order to preserve the art of competition, we have removed the pre-existing qualifying requirement for all potential title holders in 2020. Any exhibitor whose vehicle is not currently retired, or has a new build, may compete for any 2020 title and not be required to qualify at a 2020 Lowrider event. All other rules and guidelines are still in effect.

Social Distancing and Safety at the Las Vegas Super Show

We are currently working on establishing new social guidelines for the event this year. We will publish additional information when available.
